

For your upcoming stay at our cabin make sure you bring the following:

1. Directions which can be found through our website on <http://www.oakgrovefamilycabin.com/map.html>
2. Checkout Procedures downloaded from our website <http://www.oakgrovefamilycabin.com/policies.html>
3. Check our blog for upcoming events during your stay http://melsanchez.typepad.com/oak_grove/
4. Toiletries and other personal items (other than basic linens and the first few rolls of toilet paper and paper towels provided by cabin). Napkins are not provided nor are paper plates and we encourage you to use our plates so as to create less waste. Dishwasher and dishwasher soap are provided.
5. Food items--There are spices and condiments in kitchen but nothing is guaranteed. Guests may leave unused and unopened food in fridge. Please take partially used food with you except things like soy sauce, ketchup, syrup, mustard.
6. Water--Our water is filtered well-water and there is a Britta filtering system but if you feel more comfortable with bottled water please bring those with you as none are provided.
7. Bring doggie bed if traveling with dogs. Bring your own comforter or a large dog blanket if dog is to sleep on bed.
8. Bring birdseed as we have a myriad of birds that feed from the balcony plank.
9. In summer bring bug repellent as gnats and such may be out at night. Remember no candle burning or outside flames, so much for those great citronella candles.
10. Upon entering through downstairs please go to work room and turn water heater up to "A" so water is hot in a few hours.
11. Note the **Cabin Manual** on the desk in the living room upstairs. Use as a guide for using the fireplace---or it will smell like a campfire---and other fun things when staying in the mountains.
12. Get keyless entry code from owner and write down here
13. Keep owner's numbers for questions (310) 569-3345 cell. If owner cannot be reached and you need to ask someone right away about something in the cabin, try (858) 335-6698. Land-line phone at the cabin is 760-765-4665 for local calls.
14. For internet connection that is not behind the times there is free Wi-Fi in town at Mom's Pies.

Enjoy and let us know how your stay was!
